Quick Guide: Accessing EH&S Training Courses

Request access to training

➢ Contact the ISU Department of Environmental Health and Safety
  o Email: ehstrain@iastate.edu
  o Phone: 515-294-5359
➢ Complete and return EH&S Learning Center Account form to EH&S
  o EH&S will use this information to create a training authorization code and an Accounts Receivable account used for payment for your company.
  o EH&S will email you your training authorization code, Accounts Receivable account information and instructions on how to create a new EH&S learning Center account and how to navigate the EH&S Learning Center menu.

Create an account

➢ Follow Non-ISU Users Instructions
➢ Use Navigating the EH&S Learning Center to learn about features of the EH&S Learning Center

Enroll in a course

➢ Watch this quick video tutorial

Web browser information

➢ Do not use Internet Explorer 10
➢ Do use Mozilla Firefox, Google Chrome or Safari
➢ Allow pop-ups from these URLs to access courses
  o www.ehs.iastate.edu
  o training.ehs.iastate.edu
