I have read the information about the vaccine. I have had an opportunity to ask questions of a qualified nurse or physician and understand the benefits and risks of receiving the vaccination. However, as with all medical treatment, there is no guarantee that I will become immune or that I will not experience side effects from the vaccine.

### DECLINE TO VACCINATE

Please indicate the vaccination you wish to decline to receive:

Hepatitis B (3 inoculations)     Rabies     Other \_\_\_\_\_

I UNDERSTAND that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring an infection. I have read the information about the vaccine. I have had an opportunity to ask questions of a qualified medical professional and understand the benefits and risks of vaccination. I have been given the opportunity to be vaccinated, at no charge to myself; however, I decline vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring a serious disease. If, in the future, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated, I can receive the vaccination series at no charge to me.

Check here if you are declining vaccination because you have previously been vaccinated.
