

SAFE Winter Walking

<http://www.ehs.iastate.edu/news/walk-safe-winter>

WALK
SAFE

Remove traction
cleats when
entering a building.

Wipe your
shoes on mats.

Watch for melted
snow and ice.

At Iowa State University ...

More than 50% of falls on snow and ice result in serious injuries – please don't be a statistic this year!

Walking during the winter requires special attention to avoid slipping and falling.

The National Safety Council estimates that falls cause more than 1,500 deaths and 300,000 injuries per year.
