Evacuation Guidelines
• In case of fire or other emergency requiring evacuation, activate the nearest fire alarm pull station.
• Exit in a calm and orderly fashion. Once you have evacuated to a safe location, immediately call 911.
• Assist injured personnel, if time permits, and make sure all doors are closed and hazardous work operations are shut down as you exit the building.
• Help any physically impaired individuals in need of assistance.

Safety Guidelines
• Familiarize yourself with the location of exits, alarm pull stations, and fire extinguishers.
• Attempt to control a fire yourself with a fire extinguisher only when the fire is small and you have been trained.
• Keep fire doors closed to prevent the spread of smoke and fire.

Meeting Place
• In case of evacuation, meet in the grassy area south of ASC II.

Severe Weather
• In the event of a tornado, proceed to the basement corridor. Keep away from doors and windows.
