Howe Hall - First Floor Emergency Map

Key
- Fire Alarm Pull
- Exit
- AED/Defibrillator
- Fire Extinguisher
- Exit Direction
- Severe Weather Shelter

Severe Weather
- In the event of severe weather, proceed to an interior hallway in the basement. Keep away from windows and doors. DO NOT STAND IN THE ATRIUM

Evacuation Guidelines
- Exit in a calm and orderly fashion. Once you have evacuated to a safe location immediately call 911.
- Assist injured personnel, if time permits, and make sure all doors are closed and hazardous work operations are shut down as you exit.
- Help any physically impaired individuals in need of assistance.
- **Meeting Place:** In the event of an evacuation, please proceed to the parking lot on the southeast side of the building.

Fire Safety Guidelines
- Familiarize yourself with the location of exits and fire extinguishers.
- Activate the fire alarm and call 911 for all fires and **before** using an extinguisher.
- Only use an extinguisher if it is rated for the type of fire, the fire is small, and you are trained. Personnel are not obligated to use an extinguisher.
- Keep fire doors closed to prevent the spread of smoke and fire.
