Key
- Fire Extinguisher
- Fire Alarm Pull
- Chemical Spill Pull
- Exit Direction
- Exit
- Safety Shower
- Eye Wash
- Gas Shutoff

Evacuation Guidelines
- Exit in a calm and orderly fashion. Once you have evacuated to a safe location immediately call 911.
- Assist injured personnel, if time permits, and make sure all doors are closed and hazardous work operations are shut down as you exit the building.
- Help any physically impaired individuals in need of assistance.
- Meeting Place:
  In the event of an evacuation, please proceed to the parking lot directly East of the building.

Severe Weather
- In the event of severe weather, proceed to an internal room on a lower floor. Keep away from exterior doors and windows.

Safety Guidelines
- Familiarize yourself with the location of exits and fire extinguishers.
- Attempt to control a fire yourself with a fire extinguisher only when the fire is small and you have been trained.
- Keep fire doors closed to prevent the spread of smoke and fire.
