In case of fire or other emergency requiring evacuation, activate the nearest fire alarm pull station.

- Exit in a calm and orderly fashion. Once you have evacuated to a safe location immediately call 911.
- Assist injured personnel, if time permits, and make sure all doors are closed and hazardous work operations are shut down as you exit the building.
- Help any physically impaired individuals in need of assistance.

**Meeting Place:**

In case of evacuation, proceed to the grassy area directly east of the building.

**Evacuation Guidelines**

- Familiarize yourself with the location of exits, alarm pull stations, and fire extinguishers.
- Attempt to control a fire yourself with a fire extinguisher only when the fire is small and you have been trained.
- Keep fire doors closed to prevent the spread of smoke and fire.

**Safety Guidelines**

- In the event of severe weather, proceed to an interior room or corridor. Keep away from exterior doors and windows.

**Severe Weather**

- In the event of severe weather, proceed to an interior room or corridor. Keep away from exterior doors and windows.
