EVACUATION PLAN

EVACUATION GUIDELINES
- In the event of a tornado, proceed to the first floor interior hallway and basement dining hall area. Keep away from windows and exterior doors.

SAFETY GUIDELINES
- Familiarize yourself with the location of exits, alarm pull stations, and fire extinguishers.
- Keep fire doors closed to prevent the spread of smoke and fire.
- Attempt to control a fire yourself with a fire extinguisher only if you have been properly trained.

INCLEMENT WEATHER
- In the event of a tornado, proceed to the first floor interior hallway and basement dining hall area. Keep away from windows and exterior doors.
