

Laboratory Safety Training History

Use this document to maintain a history of safety training for each laboratory employee. Include site-specific training, EH&S training and any off-campus training. Refer to Section E in the Laboratory Safety Manual and the "[Safety Training Curriculum for Laboratory Personnel](#)" for training guidance.

Employee Name: _____ **Supervisor:** _____

Each laboratory employee must be made aware of the location and content of the *Laboratory Safety Manual*. With your signature below, you acknowledge that you have read and understood the contents of the manual and know how to access it in the laboratory.

Employee Signature: _____ **Date:** _____
