You are invited to Lab Safety Orientation!

Lab Safety Orientation presented by Environmental Health and Safety (EH&S) will introduce you to the lab-related programs that benefit you at Iowa State. You will learn how EH&S can assist you and your work in a laboratory, helping you safely enjoy your Iowa State University adventure!

EH&S Programs:
- Biosafety
- Emergency Management
- Environmental Programs
- Fire Safety
- Health and Safety
- Radiation Safety
- Training and Communications

Lab Safety Orientation is for incoming graduate students.
Sessions are: August 20, 21 and 22
1230 Environmental Health and Safety Services Building (EHSSB)
8:30 am - 12:00 pm

Register online at www.ehs.iastate.edu:
